

A Membership Organisation and Trade Union Representing Individual Pharmacists, Pharmacy Students and Trainee Pharmacists

Over 34,000 of your colleagues have already joined us

The PDA (Pharmacists' Defence Association) is the largest pharmacist membership organisation and the only trade union exclusively for pharmacists in the UK. We look after the interests of individual pharmacists, pharmacy students and trainee pharmacists.

We are a not-for-profit membership organisation with over 34,000 members. We are run by experienced pharmacists, union professionals, a legal team and support staff.

We believe that every employee should join the appropriate trade union for them and we are pleased to invite you to join **THE** pharmacists' trade union. We work to ensure that all pharmacists have protection, support and a strong voice at work and experience safe environments, decent reward, job security and fair treatment in the workplace.
