Read member feedback from those who sat the March 2021 assessment:

"Thank you to the PDA for all your support – I've passed! I look forward to helping and supporting students studying pharmacy with the PDA and promoting membership. It is important to help those who are coming into the profession."

"It has been a privilege to have shared this journey as a whole cohort, thank you to the PDA for bringing prov-regs, pre-reg, and re-sitters together, there has never been anything like it. Unity is strength."

"I will definitely remain a member of the PDA. It has been so helpful to me as a prov-reg and I would love the opportunity as a PDA Rep to give back through PDA activity! I am so happy to have a weight lifted and to move forward in my career."

"I absolutely will be staying a member of the PDA. I have been so impressed with the PDA. They have been so helpful and provided so much to prov-regs and pre-regs throughout this pandemic. I really appreciate it and I don't think I would have got through without you guys."

"I want to say a huge thank you to the PDA Team and PDA Education who have been instrumental in helping me to achieve passing my assessment. It has been a hard journey and I really appreciate what the PDA have done for provisionally registered pharmacists."

"Thank you to the PDA for their unwavering support in what has been the most trying of times a pre-reg could go through, knowing that the PDA has been there for us, especially when we did not feel heard by the regulator has been of great help."

"Being a PDA rep as a prov-reg pharmacist, especially this last two years, has proved to me how much support pre-regs and pharmacists need. You have really helped us on our career journey with all your support. I will definitely continue my PDA membership, rep role, and share with others."

"The PDA has continually approached the provisional registration and assessment situation with professionalism and empathy for the cohort. They were so quick to act on the updates from the regulator. Personally, they helped clarify all the guidance on working as a provisional registrant and the PDA Charter for Provisional Registration clearly set out the PDA position and what we should expect. They supported me and my colleagues which allowed us to work on the bank. Thank you."

"I will be staying a member of the PDA. I have been so impressed with the PDA and how helpful and supportive they have been, I am happy to get involved in future activities."

"It has been a very difficult road but we've finally made it! Thank you to the PDA for all the amazing support and activities they have provided for our cohort. Onwards and Upwards!"

"I decided to take my exam in July and I am pleased for all my fellow prov-regs who have passed. Thank you PDA for your continued support for those of us who are sitting in July and November and for all new pre-regs on the PDA Education Revision Programmes."
