Dear *Mark,*

Thank you for your letter of the 1<sup>st</sup> May regarding life assurance schemes for frontline healthcare staff.

I can assure you that both hospital and community pharmacists will be included in the Northern Ireland scheme. Officials in my Department are working closely with their colleagues in the Department of Finance to set this scheme up as a matter of urgency.

I trust you find this response helpful.

Yours sincerely

**Robin Swann MLA**  
**Minister of Health**
