Key Rules

“Any member may be nominated as a representative to the Regional Committee, provided they have completed twelve months continuous membership of the Union.”

The National Executive have confirmed that these elections can be held using electronic means.

“Nominations shall be in writing signed by the candidate, a nominee and four seconders who must be members and must be received not less than 21 days prior to the date of the election and must be accompanied by written confirmation by the nominee of his/her willingness to accept nomination.”
