Join Now and Take Advantage of FREE PDA Membership

The PDA (Pharmacists' Defence Association) is the largest pharmacist membership organisation and the only trade union exclusively for pharmacists in the UK. We look after the interests of individual pharmacists, pharmacy students and trainee pharmacists.

We are a not-for-profit membership organisation with over 37,000 members. We are run by experienced pharmacists, union professionals, a legal team and support staff. We work to ensure that you have the protection, support and encouragement to achieve success.

We are committed to supporting you throughout your journey to becoming a qualified pharmacist. The views you share with us and the issues of concern to you are of importance both because you are the profession of tomorrow and because you already matter today.
